Dear Paul & Marie

I write to confirm that I am pleased to recommend your services, both for cleaning and window cleaning and am willing to allow this reference to be carried on your website.

Over the past years working for Foxes Property Management, I have found your work to be reliable and efficient, your staff to be friendly and trustworthy and simply nothing has been too much trouble for you, even if requested at short notice.

I add my personal best wishes to your company for a prosperous future.

Yours sincerely
