To whom it may concern,

I have great pleasure in writing this reference for Paul Windess Window Cleaners. Paul and his team have worked for both our Weymouth and Portland Marinas since 2004. During this time we have always been provided with exemplary service both in quality of work and customer service. Paul's professionalism and "can do" attitude are a credit to his company.

I would have no hesitation in recommending Paul Windess Private and Commercial Window Cleaners to anyone.

Yours sincerely,

Russ Levett.
Portland Marina Manager.
